This zine was printed in the Book Arts & Letterpress Lab in the Baylor Libraries in May of 2026 in conjunction with *Belonging*, an interdisciplinary data and fiber art project made collaboratively by Baylor University students from Data Science, Theatre Arts, and the Department of Art and Art History.

The project aims to hold vigil for what and who has been lost within the community of Waco in recent years. Students collected data and visualized it through sound and fiber art. This zine provides an index to engage with some of the deportation data represented in the artwork.

Este fanzine fue impreso en el Book Arts & Letterpress Lab de las Bibliotecas de Baylor en mayo de 2026 en colaboración con *Belonging*, un proyecto interdisciplinar de arte de datos y fibras realizado en colaboración por estudiantes de la Universidad de Baylor de Ciencia de Datos, Artes Teatrales y el Departamento de Arte e Historia del Arte.

El proyecto tiene como objetivo vigilar qué y quién se ha perdido en la comunidad de Waco en los últimos años. Los estudiantes recogían datos y los visualizaban mediante arte sonoro y textil. Este fanzine proporciona un índice para interactuar con algunos de los datos de deportación representados en la obra.
